

VOCATIONAL EDUCATION AND TRAINING AUTHORITY

VETA IN A NUTSHELL

INTRODUCTION

The Vocational Education and Training Authority (VETA) is an autonomous government agency established under the Vocational Education and Training Act, Chapter 82 charged with the duties of providing, financing and coordinating vocational education and training in the country.

VISION

“Tanzania with sufficient and competent artisans”

MISSION

To ensure availability of Vocational Skills in Tanzania through provision and promotion of Vocational Education and Training (VET) to meet labour market demand for socio-economic development.

CORE VALUES

- People first;
- Dexterity and creativity;
- Teamwork and integrity;
- Relevancy.

ROLES OF VETA

(I) PROVIDING VOCATIONAL EDUCATION AND TRAINING

VETA provides training through its centres all over the country. Vocational Teachers are trained through its specialised college, the Morogoro Vocational Teachers Training College (MVTTC).

(II) FINANCING VOCATIONAL EDUCATION AND TRAINING

VETA facilitates financial support for vocational training through funds from the Skills Development Levy (SDL). SDL is charged based on the gross emolument of all payments made by the private sector employers to the employees employed by such employer in the particular time (month). Other sources of funds are Government development projects; development partners' contributions; funds from internal sources like income generating activities and training fees.

(III) COORDINATING VOCATIONAL EDUCATION AND TRAINING

VETA coordinates more than 600 private VET institutions in the country, providing training in form of long courses, short courses and tailor-made courses. Also, VETA conducts Labour Market Surveys to determine skills demand by labour market.

As well, the Authority establishes and maintains close linkage and partnership with other training providers at national and zonal levels.

(IV) PROMOTING VOCATIONAL EDUCATION AND TRAINING

VETA is charged with the role of promoting vocational education and training in the country. VETA believes that the public can support VET if it is provided with adequate information about VET goals and activities. Promotion is carried by communicating VET to different stakeholders including the government, parents, employers, employees, and donors. Also, current and prospective trainees, instructors, VET graduates legislators, trade unions, NGOs and the media.

TRAINING PROVISION

VETA training programmes are organized in thirteen occupational sectors namely, Mechanical; Electrical; Civil and Building Engineering; Automotive; Commercial Services and Business Support; Clothing and Textile; Transport; Mining; Printing; Cosmetology; Agriculture and Food Processing; and Hospitality, Tourism and Travel Agency and Fine and Performing Arts.
